  - o As of January 10, 2025, the County is currently in Phase 3 of updating the plan to “New Kent 2045 Comprehensive Plan Update”. The last public meeting was an open house on October 22, 2024, where draft elements of the 2045 Comprehensive Plan were shown, including transportation maps, the Future Land Use Map, and plan tactics. Public input from this event will refine the final plan document for approval and adoption.
