Good morning Denise,

Happy new year!

Thank you for following up – I was in the final steps of verifying the Charlottesville income data before my holiday break arrived. I was able to finish it up this morning.

I can confirm that the City of Charlottesville is classified as a low-income geographic area per the data that DCR will be using in our application review.

Please let me know if you have any questions, or if there is anything else I can help you with.

Thanks!

**Jake Shaw**
