Comments

Comments:

Need more detail to determine if this project does not constitute double funding from what was already funded under <https://www.dcr.virginia.gov/dam-safety-and-floodplains/document/cfpf/CFPF-22-03-28-CID515519-CityofAlexandria-CFPF-2.pdf>. It appears that the scope for the current application may duplicate work that was funded under the previous application. Additionally, no CFM endorsement letter provided.
