

LOVE BIRDS CALEDON STATE PARK

A ROMANTIC WINTER BIRDING ADVENTURE

Celebrate Valentine's Day with a nature-inspired experience focused on the beauty and behavior of winter birds.

Explore the world of birding through indoor observation, creative crafting, and hands-on citizen science as part of the Great Backyard Bird Count.

BIRDING

Experience the thrill of winter birding with expert guidance in the park.

CRAFTING

Create your very own bird-themed sea glass craft to take home.

CITIZEN SCIENCE

Join the Great Backyard Bird Count and contribute to bird conservation efforts.
